RECEIVED

July 21, 2022

TO: The City Council  
RE: Fernald Open Space and Recreation Plan

Dear Councillors:

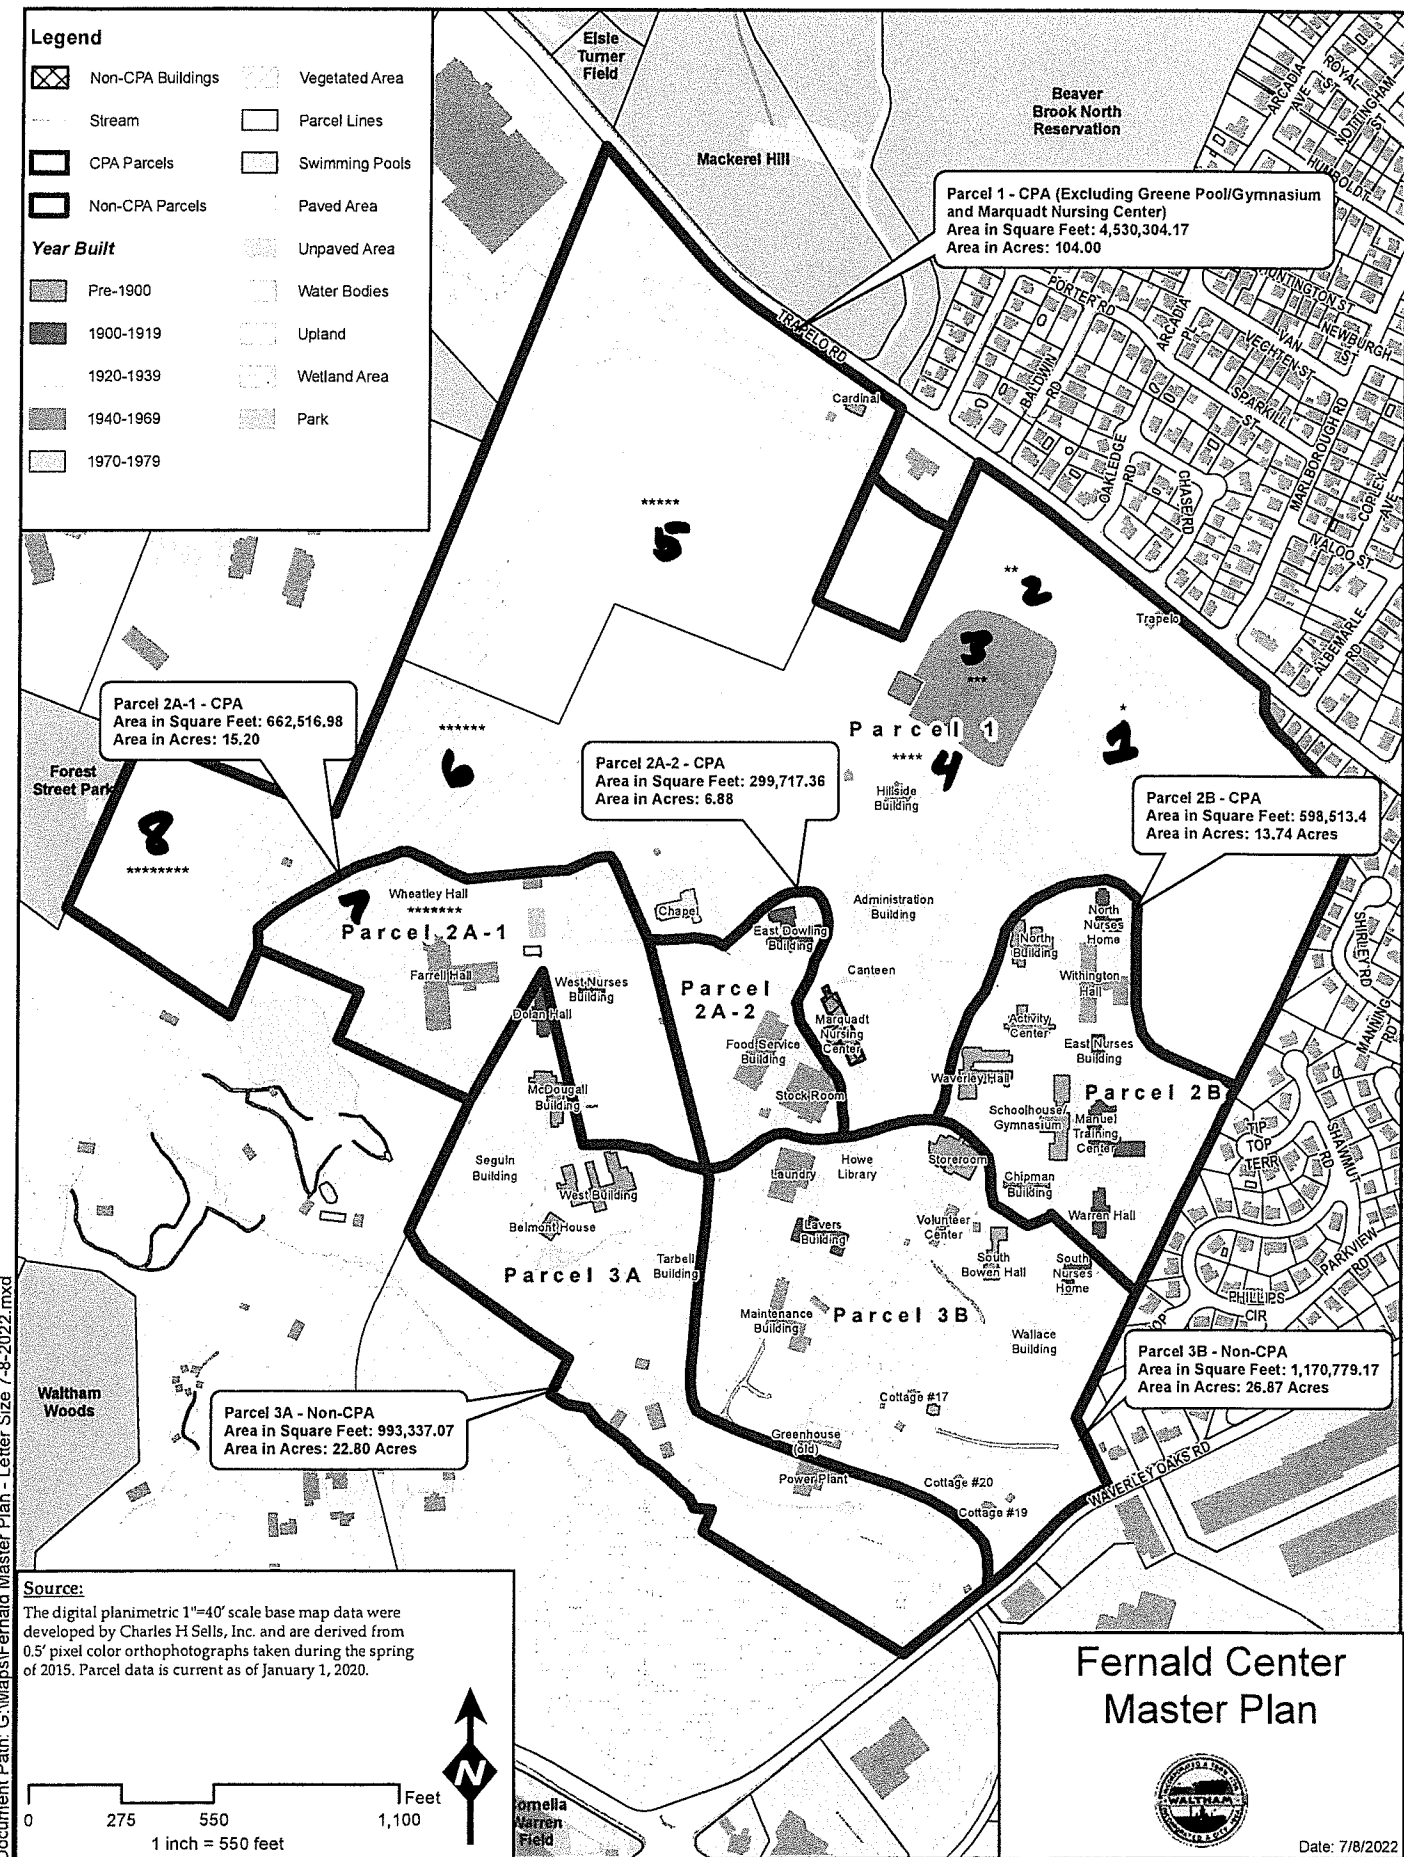

Enclosed please find a copy of the design for the land of the former Fernald School under the care, custody, and control of the Recreation Department. The Recreation Board approved the plan. The next step will be preparation of bid specifications, department head review, and any City board submittals. The architect will be calculating the percentage of open space.

Also, enclosed is a schematic of the design locations for Parcel 1 and Parcel 2A-1 under the care, custody, and control of the Recreation Department.

Sincerely,

Jeannette A. McCarthy  
JAM/sm
